TO : PROF. KARTIK CHANDRA RATH

Dear Mr. Rath,

Thank you so much for all your kind hospitality and help during my stay in Orissa.

I must admit that I am very impressed over all what I have seen during my stay. What you, your staff and the hard working 'army' has achieved in terms of organisation was just great. And so many high quality performances. You must be proud being able to organise such a good and great festival.

I know how much energy it takes.

iata/iata is very grateful to you and very proud of. 'The Theatre Olympiad'. Once again - Thank you !!!

All the best to you.

Yours sincerely,

Thomas Hauger
World President
